Organization

of the

City Government for the Year 1945

The city government for 1945 was organized Wednesday evening, January 3, at a meeting held in the main hall of the Opera House and Mayor Henry J. Proulx delivered the following inaugural address:

Mayor Proulx's Inaugural

Reverend Father Hennon, Members of the City Council, distinguished and invited guests, my fellow citizens:

When the last chapter of history of this Second World War is finally written and the din will have faded away, indelibly inscribed on the tablets of memory, in a niche dedicated for this purpose, will be the achievement of the American soldier, sailor and marine immortalized, to whom all glory will be due; sharing with him will be the nation that has borne its responsibilities of war with a bravery and poise that has never been surpassed; yes, every city, town or hamlet will share this glory by its conduct during such a trial, upon whom the burden and sacrifice has exacted so much to those both so near and dear to each other.

We have always been a peaceful nation to which conquest and territory have never appealed and have been happy being self-contained in our views, ambitions, so well illustrated by our ability to understand one another in a country sprinkled with races, creeds and colors where the melting pot might have a hot heat, but never a fever heat in the understanding of a union of men.

Compensating for our unwarlike disposition however, is an attribute which finds us united in purpose when aroused and when our security is being threatened, this is a heritage of men to whom a tradition has been delegated by ancestors who first were on the right side, who had faith and dealt with it as a sacred trust against which there would be no prevail. Stunned with the

declaration of war and the unwarranted attack by an imperialist government in 1941, we gained our composure and feverishly prepared to meet the test such as no nation ever confronted, and without complaint, yes, for three years we faced our disappointments and our successes with sobriety, never losing confidence in our leaders never faltering in encouragement to create an effect where it would be needed most, and I mean with those boys and girls representing us on all fronts and action areas on this globe. Stories, studded with heroic action are reported, showing hardship and sacrifice encountered, and trying as they might be at home they have served to temper the determination of a people, bidding for high stakes in a world of tomorrow.

Morale could never reach such supreme heights, without faith in purpose that is found in our way of living and interpreted by great men who have translated its meaning, in the Constitution of the United States, to then a youthful nation and dedicated to the highest purpose of peace and understanding.

During the past year Franklin has received its share of War Department telegrams, and to the nearest of kin to whom the pangs of war have been so realistically felt, our community joins the people of this nation and those of broken and invaded countries to say "never has a sacrifice been more worthy for whom generations will be more indebted". Your Gold Star Homes will be a shrine in the depths of our gratitude which will be revered and there kindle for supreme contribution offered by a worthy son, deserving of a brave mother, whose union with others who have given most in time of this war will provide a claim of doing most for a world of peace.

To those whose vigil is ceaseless who have overcome the stage of anxiety about our country's preparedness, whose boys and girls are confidently meeting the test in carrying the war on to a successful and victorious conclusion, may God provide for you the strength that will be needed to continue to the end, a test that will try every fibre to face squarely our fiendish foes, a test that will exert us to the limit in view of its responsibility; let us again resolve to look hopeful to tomorrow and express this in our actions, words and deeds that our deportment will measure up to the courage and determination of those worthy of us and our names, fighting the fight, of human mankind and a just peace.

With an Honor Roll of nearly a thousand, I would like to caution those at home that they too have a responsibility and a part to play in this team work if the day of victory is to be hastened;

without this vigorous contribution on our part on the home-front even our sons and daughters, the best trained and equipped fighters in the world, will fail. The responsibility is clear and in this respect Franklin can pride itself in being free from any indictment for any failure to cooperate. Nevertheless we have the exceptions who have failed to be aroused that men are dying daily that they might even be intolerant, loose-tongued and careless in their statements that have such damaging effect on morale, an ungrateful return for their enjoyment while under a great country's protection with privileges found nowhere in the world, our efforts at home must at least meet to a degree that will spare those doing the actual "punching", the disturbing suspicion that we are not in the fray and by their side in their moment of greatest trial.

As a war time mayor and tonight honored for the sixth consecutive time, may I express my deep gratitude to you for the enduring confidence. Again I pledge you my continued and untiring efforts for "Good Government" which we hope will continue to compare with those exemplar in our state and which we unceasingly will try to improve. In the past you have been quick to approve progress, and as quick to point to our mistakes of judgment in some adopted policy, unintentional mistakes that are bound to re-occur, but this criticism has always been generous and was offered with construction and this interest I solicit you to continue as a ways and means to preserve an interest in your city government and a manner to contribute to its welfare.

I think public mention is in order for the cooperation received from all standing committees of this council during 1944, who should share with their department executives the full measure of their success during the past year; their effort to be of public service to this community has been exceeded only by their loyalty and untiring efforts. However, a measure of this glory rests with all city employees who are called upon to meet the demands for public service and I want them to personally feel that their contribution has been appreciated.

During the past three years social strides have been made in their behalf that are deserving, in wages, hours of employment and insurance, and their welfare we will continue to promote, when necessary to meet standards now established in their field throughout the state.

Public mention is again exacted in behalf of the Water Commissioners for their effective financial showing made in their department during the past year, and their grant of $7,000.00 made to the City of Franklin taken from surplus earnings of that department during the year and partially created by the moratorium on water extensions as a result of wartime restrictions. May I explain that this grant from surplus earnings cannot warrant any conclusion that water rentals are excessive and should be reduced, but, instead, that income became accumulative owing to the restriction on this department during a time of war, prohibiting extensions of their service which normally would be absorbed for this purpose. In accordance with recommendations this grant of $7,000.00 received from the Water Department was earmarked and labeled for the interior decoration of City Hall, siding and insulating of both fire stations and the building for public works, roofing of same, the purchase of 20,000 gallons of road tar and the purchase of highly needed highway equipment.

It was agreed by both the Board of Commissioners and the City Finance Committee that the distribution of this grant should be exercised in a manner that its benefits would reach all taxpayers, rather than confine its benefits to those paying water rentals. By allocating this grant to public improvements all taxpayers will benefit by its decision, by foregoing further taxation that would have to be imposed or levied against them to accomplish this end. On the other hand this method of distribution averts the inequality of the commodity used, by each user. Notwithstanding, that public funds obtained from taxation initiated and helped pay off this department's institution.

A service old to the people of Franklin but new to our political unit as far as expense is concerned, is that of public health nursing. Public Health Nursing is an organized service rendered by a graduate nurse, to individuals, families and the community. It helps to keep people well, prevents communicable disease, and supplies skilled nursing care to the sick in their homes. It offers assistance in any problem affecting health. Today as never before are these services needed in the community. Heretofore, the Red Cross has supported the Public Health nursing program in our city, this year the support has been withdrawn. We are happy to tell you that this nursing service will continue. Continue without the lapse of a single day. A most capable nursing committee has been organized—with a board of directors and a chairman who are interested and active. The organization here is that of a joint agency, that is, it is supported by tax and private funds. The tax funds—appropriated by the city, the private

funds are from patients' fees, insurance contracts and gifts. The nurse in this type of agency is responsible to her board of directors, and the area served is the political unit, in this, the City of Franklin. The budget has been planned and funds are available for at least one year. The budget, on a one nurse basis, includes such standard items as salary, transportation, equipment, telephone, nursing supplies, rent and miscellaneous. Rent has been furnished by the city for some time and the nurse's car furnished by the Red Cross has been turned over by that organization to the new service. We feel that this re-organization service is off to a good start. We trust that all the people of Franklin will feel free to use this service, and that the community as a whole will benefit by it.

No one can appreciate more the duties and responsibilities that go with a public office than the one who enjoys the exalted confidence of a people who select him as the trustee to administer the needs and requirements of their city and who have a right, in return, to expect a stewardship that is deserving of their confidence while enjoying this trust. The routine conduct of city affairs is met by department functions and we have been fortunate to claim the best standards in performance. But administration of public affairs calls for a great deal more than perfunctory duties which include raising specific revenues, most of which are levied against property owners whose returns are mainly influenced by the economics enjoyed and which are used to conduct its operation.

Planning has always paid dividends as a reward for its application and planning during economic prosperity for postwar programs should be effected in every well regulated government, and you may rest assured that Franklin is ready for this program when it receives the green light to go. At its best, however, this is only temporary planning and it will fulfill its purpose but no more.

During the past few years a good deal of emphasis has been placed on long range planning which also relies for its success on the economic enjoyment during a period that earning powers reach their height in which all participate very generally. This too is commendable and should be exercised to the fullest. However, this planning is always threatened by unstabilized economic conditions over which we have no control, which usually defeats its purpose. As a municipality, if we could copy a page from private enterprise which creates a reserve for its more lean earn-

ing periods to tide us over to more promising days, we could effect an assurance of that type of planning. However, that is impossible owing to laws governing cities or towns raising public funds by taxation. Our plan for tomorrow must be a plan to increase our sources of revenue to insure economic stability as well as a plan that will offer inducements to attract new industry for the normal health and growth of our city. The answer to this problem which I suggest to you tonight is a municipal light and power plant, provided for under the provisions of an enabling act passed by the Legislature and which would allow us to develop electricity by water, Diesel power or purchase the same. Soon we hope that we will be called upon to meet the need of rehabilitation of our boys and girls returning, if we expect them and their families to remain with us. A number of these have left local industry in gainful occupations, to serve their country, and I am sure that they will find their jobs waiting for them on their return when discharged from the service. A great number of these in our armed services, when returning, will be seeking gainful employment for the first time, who will not be attracted by their opportunity of school offered under the G. I. Bill and it hardly seems reasonable to expect them to be absorbed in the same industries, owing to the limitation of their requirements. Only additional industrial needs will help us, to meet our responsibilities and new industry is possibly the only avenue and answer to this problem. We are in a position today to invite industry to settle in our community because policies of larger manufacturing groups are recommending decentralizing of their plants to scatter their operations which has become so favorable to them in labor experiences and economy of its operation. They too have come to appreciate the wisdom of the old adage of not putting all their eggs in one basket. And the migration of these firms is now begun, to a great degree right here in New Hampshire. We have, however, escaped attraction notwithstanding, the strenuous efforts that have been exerted by a few sincere proponents in this community. Geographically Franklin is in the center of New Hampshire and we also are designated as being very close to the center of its population, with the best of transportation facilities, and good roads. I do not believe that it will require rigorous competition to induce other industries to move to our city but some inducement will have to be offered them or we may have to accept the imposition of some organizations, that have been eliminated from invitation lists of other cities because their promise of success was not so promising. It would be very unfair to hold anyone accountably responsible for the possibility that the empty buildings of the International Paper Company

would have afforded us today had they been standing and just as unfair to criticize anyone for overlooking the opportunities that were sacrificed had we acquired the water resources and the power that could be afforded to us today had we reached out for Boston and Maine Dam or the Franklin Light and Power Company sold in or about 1928.

It can be concluded that thoughts of those opportunities are wishful thinking, although if one had been acquired, it would have partly offered the solution to our many problems, of employment and inducement for industry to establish here. Who knows but the experience of those men who were civically interested in Franklin in those days might be a repetition of the one experienced by your speaker in the Spring of 1943 with the International Hydro-Electric Company when I attempted to take a preliminary step to acquire for our city one of the most promising water privileges to be found anywhere in this state and acclaimed to be one of the most promising now undeveloped anywhere in New England, located on the Winnipesaukee River from Sanborn bridge up. I think it is worthy of mention and the story interesting, because it so amply defines State Rights which we so proudly possess and which in effect is meaningless.

Two years ago, the Vice President of the International Hydro Electric Company, and his attorney, by the way, a President of another branch of this family, held a meeting with the tax assessors, to which I was invited to attend as a member of the Finance Committee, to listen to an appeal they were making for an abatement of a valuation affecting the property above-mentioned, and they offered many reasons to sustain the support of their appeal. The strongest appeal suggesting sincerity was their offer to sell all rights of the International Hydro Electric Company in Franklin and Laconia for $200,000.00. Their interests in Franklin were assessed for $386,000.00 and in Laconia for $23,000.00. I ventured to ask those two men if they would offer the above described premises to the City of Franklin, seriously convinced that it might fit into our plan of interest for the future. I obtained their promise that a letter would be forthcoming on their return to New York, which would be addressed to the Mayor and Members of the City Council for that price; this would at least have given them the opportunity to prove their sincerity of purpose. Some few weeks later, I received a phone call from a person I thought to be in authority with the Hydro Electric Company, who apologized because the letter had not been forthcoming, stating that the President's signature was being awaited, but

would be forthcoming soon. This was the last I heard of this until the Spring of 1944, just a year later, when a transfer card of the Register of Deeds of Merrimack County revealed that the International Hydro Electric Company of New York sold its Franklin interests to another utility for $25,000.00 with the promise of $50,000.00 if it was ever developed, this was, as you recall, on our books for $386,000.00 and the Laconia interest for $23,000.00. At least a gallant effort was made to plan for tomorrow and to retain the only water resources we had left in a city so richly gifted and without the equal to be found anywhere else, in comparison. I am still convinced and of the opinion that if Franklin owned these interests on the Winnipesaukee River, formerly held by the International Hydro Electric Company that the solution of the problem of healthy and natural growth and the inducements for industry to come to our community would soon be realized. I am convinced, with information received from reliable authority, that this ownership could make a high contribution to our city in stabilizing our economic and financial future and I would recommend to the Council of 1945 that we obtain legal and engineering advice that might be needed to prove this potentiality.

This would be a postwar project that would have a far reaching effect on the welfare of our community and although its returns would not be immediate, we would be on the right road to meet the demands of healthy growth by acquiring new industry, again the earnings from this source could well be the added income which would assure a future economic security.

I think that our situation in Franklin for growth and expansion may be compared to a family that has outgrown its home and for which we must construct additional room if we are to continue to live together. It isn't a new problem, but an old one that has never been met. It challenges our integrity in face of the following facts: Gain in population from 1900 to 1940, average of 20 persons per year and this very serious realization is even more surprising when it does not even meet the gains of births over deaths, which sustained should show an average gain of 50 persons per year. I do not think that it would be difficult to show that 1200 persons have left this community for the lack of employment or opportunity during the past 40 years.

In conclusion, to you all may I hope for you the best in 1945, and this is wishing you a happy new year.

City Government

CITY COUNCIL

Mayor

Elected annually on the fourth Tuesday of November. Salary $200.00 a year.

Henry J. Proulx

Councilmen

Elected by wards for three years. One member from each ward elected on the fourth Tuesday of November annually. No salary.

	Term expires
Ward 1—Colin S. Jones	January 3, 1946
Allen Atwood	January 3, 1947
Frank O. Sargent	January 3, 1948
Ward 2—George Lacroix	January 3, 1946
Henry Chamberlain	January 3, 1947
Auguste J. Massicotte	January 3, 1948
Ward 3—Michael E. Burke	January 3, 1946
Scott Coen	January 3, 1947
Earl S. Sargent	January 3, 1948

Standing Committees of the Council, 1945

Highways—Massicotte, E. Sargent, Scott Coen
Sewers—Earl Sargent, Massicotte, Chamberlain
Fire—H. Chamberlain, Lacroix, E. Sargent
Police—E. Sargent, Coen, Massicotte
Schools—Lacroix, Coen, Jones
Ordinances—Burke, Jones, Atwood
Street Lighting—Massicotte, Coen, Lacroix
Cemeteries—Atwood, Jones, F. Sargent
Claims—Chamberlain, Coen, Jones
Health and Welfare—Coen, Atwood, Burke
Public Lands and Buildings—Lacroix, Massicotte, Burke
Finance—Mayor, Massicotte, Lacroix

City Clerk, Tax Collector, Purchasing Agent, Clerk of Board of Assessors and Custodian of Memorial Hall

Elected annually by the City Council. Salary $2,400.00 a year.

Mildred S. Gilman

Deputy City Clerk

Elected annually by City Council. Salary $33.00 a week.

Olive C. Sawyer

Overseer of the Poor

Elected annually by the City Council. Salary $25.00 a week.

Perin E. Hersey

City Treasurer

Elected annually by City Council. Salary $110.00 a year.

Hazle Michaud

City Solicitor

Elected annually by City Council. Salary $600.00 a year.

George A. Kidder

Assessors

Elected annually by City Council. Salary $500.00 a year, each.

Ward One	Ward Two	Ward Three
Lawrence Collins	Wiggin S. Gilman	Ernest Astbury

Highway Commissioner and Tree Warden

Elected annually by City Council. Salary $43.50 per week.

Henri E. Hebert

Welfare Commissioners

One member from each ward elected annually for a term of three years. No salary.

	Term expires
J. P. Blais	February 5, 1946
Albert B. Guay	February 7, 1947
Louis H. Douphinett	February 5, 1948

POLICE DEPARTMENT

Chief of Police

Elected annually by the City Council. Salary $44.10 per week.

Charles E. Legare

Deputy Chief of Police

Elected annually by the City Council. Salary $38.10 per week.

Clarence Lacoursiere

Night Officer, Main Street

Appointed by the City Council. Salary $38.10 per week.

Warren E. Danforth

Night Officer, Central Street

Appointed by the City Council. Salary $38.10 per week.

John Pikor

FRANKLIN MUNICIPAL COURT

Clerk

Appointed by the Justice. Salary $250.00 a year.

Edward L. Welch

Justice

Appointed by the Governor and Council. Salary $660.00 a year.

Robert T. Hoyt

Probation Officer

Appointed by the Justice. Salary $110.00 a year.

Jean M. Shaw

FIRE DEPARTMENT

One chief and two assistant engineers elected annually by the City Council. Pay schedule—Chief Engineer, $330.00 per year; two assistants, $220.00 a year; captains, $110.00 a year and $0.66 an hour; firemen, $55.00 a year and $0.66 an hour. Superintendent of fire stations to receive no hourly service pay. Driver-mechanics, $36.00 a week each.

Chief Engineer

Leslie Boomhower

Assistant Engineer

Frank Butler

Assistant Engineer

Clarence Thompson

Firemen

Hose Company, No. 1

Bernald Cook, Captain, 10 men

Engine Company, No. 1

Robert O. F. Cunningham, Captain, 15 men

Hook and Ladder Company

Henry Poisson, Captain, 15 men

Janitor of Memorial Hall and Heating Plant

Elected annually by City Council. $34.00 per week.

Ralph Colcord

Board of Water Commissioners

Two members elected annually by the City Council for three years. No salary. Salary of Clerk $300.00 per year.

	Term expires
Ernest Michaud, George Kidder	January 4, 1946
Peter P. Charland	January 3, 1947
Edmund J. Garneau, Alexander B. Hebert	January 3, 1948

Superintendent of Water Works

Appointed by the Water Commissioners.

J. Lester Merrill

Board of Park Commissioners

Established March 3, 1913. One member elected annually by the City Council for three years. No salary.

	Term expires
Albert Perreault	March 1, 1946
C. Ellsworth Partelo*	March 6, 1947
Wiggin S. Gilman**	March 5, 1948

*Resigned, October 13, 1945, Peter Gauthier appointed to fill unexpired term.
**Resigned January 7, 1946.

Board of Health

Elected annually by the City Council. Secretary and Chairman of the Board of Health and Milk Inspector, $220.00 per year. No salary for second and third members.

Herbert A. Griffin, Secretary, Chairman, and Milk Inspector

Frank J. Kropp, M. D. Caroline Dorman

Trustees of Public Library

Two elected annually by the City Council for three years. No salary.

	Term expires
Bessie C. Rowell, Carrie Eddy	January 4, 1946
E. L. Welch, Walter F. Duffy	January 3, 1947
Alice M. Shepard, Henry J. Proulx	January 3, 1948

Superintendent of Fire Stations

Elected by City Council. Salary $1872.00 a year.

Leslie N. Boomhower

Surveyors of Wood and Lumber and Fence Viewers

Appointed annually by the Council.

Ernest Smith, Ernest Elliott, Earl Picard, Martin Crowley, Milo Unwin, Edward Colby, Colin S. Jones

Trustees of Trust Funds for the City of Franklin

One elected annually by the City Council for a three year term.

	Term expires
Ernest Smith	September 13, 1945
Perin E. Hersey	September 13, 1946
W. F. Duffy	September 13, 1947

WARD OFFICERS

Elected biennially by the ward.

Ward One

Moderator—George G. Fowler

Ward Clerk—Ely Smith

Supervisors of Checklist—Malcolm Conant, Eugene Beaupre and Albert Barney*

*Deceased. Charles Slack appointed to replace him.

Ward Two

Moderator—Perin E. Hersey

Ward Clerk—Frederick Moody

Supervisors of Checklist—Lydia Rocheleau, Wiggin S. Gilman and Auguste Massicotte

Ward Three

Moderator—Earl Sargent

Ward Clerk—Joseph Mercier

Supervisors of Checklist—Albert Perreault, Robert Bailey and Regina Mercier

Ballot Inspectors

Ward One—Raymond Barney, Herbert A. Griffin, Mildred Smith, Charles Edmunds

Ward Two—Waldo Young, Howard Garand, Emma Mercier, Ida Connors

Ward Three—Annie Provost, Helen Clark, Inez Blake, Bland C. Redman

Superintendent of Fire Alarm

Elected by the City Council. Salary $100 a year.

Charles Cunningham

Trustees of the Webster Monument Fund

	Term expires
James H. Gerlach	October 24, 1945
James S. Shaw	October 24, 1946
Joseph W. Sinclair	October 24, 1947

Board of Education

One member elected annually for a three-year term, at special meetings held for that purpose. No salary.

	Term expires
Archie Innes	January 1, 1946
Leo Connors	January 3, 1947
Mrs. James J. Sullivan	January 7, 1948

MAYORS

Frank N. Parsons	1895

February 11, 1946

To the Honorable Mayor and City Council
Franklin, New Hampshire
Gentlemen:

We have audited the General Fund accounts of the City of Franklin for the year ended December 15, 1945, the account with Trust Funds of the City for the year ended December 31, 1945, and the accounts of the Water Department for the year ended December 31, 1945.

It is our opinion that the accompanying Exhibits and Schedules, as indexed on the preceding pages, correctly present the operations of the City for the periods audited, the financial condition of the City as reflected in its General Fund accounts on December 15, 1945, the status of the City's Trust Funds on December 31, 1945, and the assets and liabilities of the Water Department on December 31, 1945.

Respectfully submitted,

Peisch, Angell & Company.

CITY OF FRANKLIN, NEW HAMPSHIRE

Fire Department

ENGINEERS' REPORT

The following is a report covering the period from January 1, 1945, to December 31, 1945.

The manual force of the Department is as follows:

Chief, Leslie Boomhower

First Assistant Chief, Francis T. Butler

Second Assistant Chief, Clarence L. Thompson

Engine Company, No. 1

Captain Robert O. F. Cunningham. 15 men

Hose Company, No. 1

Captain Bernald Cook, 10 men

Ladder Company, No. 1

Captain Henry Poisson. 15 men

Rates of Pay

Chief of Department	$330.00 per year
Assistant Chiefs	220.00 per year
Clerk Board of Engineers	16.50 per year
Hour pay services out of town	1.00 per hour
Captains of Companies	110.00 per year
Hour pay of Captains	.83 per hour
Lieutenants of Companies	95.00 per year
Hour pay of Lieutenants	.66 per hour
Clerks of Companies	75.00 per year
Hour pay of Clerks of Companies	.66 per hour
Specialist rescue squad	25.00 per year
(This above man's regular pay holding this rating)	
Privates	55.00 per year
Hour pay of Privates	.66 per hour

Yearly Report of Franklin Fire Department

Total number of bell alarms	19
Total number of still alarms	112
Total number of miles traveled	806
Total number of feet of 2½-inch hose laid	10,850
Total number of feet of 1½-inch hose laid	3,450
Total number of gallons of extinguisher used	242½
Total number of feet of ladders raised	1,179
Total number of gallons of gasoline used	778
Total number of quarts of oil used	79
Total number of hours pumping by pumper	26½
Total number of hours lighting plant ran at fires	12½

Yearly Report of Engine Company No. 1

Total number of bell alarms	18
Total number of still alarms	2
Total number of miles traveled	157

Total number of gallons of gasoline used	38
Total number of quarts of oil used	3

Yearly Report of Chevrolet Line Truck

Total number of miles traveled	100
Total number of bell alarms	4

Yearly Report of Portable Forest Fire Pump

Total number of hours pumping	½

Location of Apparatus

Hose Company No. 1, South Main Street

Federal Truck, American LaFrance equipped, 500GPM pump, 1,200 feet of 2½-inch hose, 1 foam, 1 soda and acid type extinguisher, 1 24-foot extension ladder, 1 12-foot roof ladder, 6 lengths of 4-inch suction hose, 100 gallon booster tank, 150 feet of ¾-inch booster hose, 1 10-foot pike pole, 2 1⅛ tip 2½ inch nozzles, 1 fire axe, 1 1-gallon oil can, small kit of tools, 10 uniforms.

Central Fire Station, No. 39 West Bow Street

Engine Company No. 1

American LaFrance type No. 75, 750 GPM pumper, 40 gallon booster tank, 200 feet 1 inch booster hose, 1,000 feet of 2½-inch hose, 2 smoke masks canister type, 1 24-foot roof ladder, 1 24 foot extension ladder, 2 2½ gallon soda and acid extinguishers, 2 hand lights (carpenter type), 2 kerosene lanterns, 1 1½ inch fog nozzle, 1 Bresnahan revolving nozzle, 1 8 foot pike pole; 6 lengths of 4½ inch suction hose (hard), 1 length of 4½ inch soft suction hose, 1 salvage cover, 1 ice chisel, 1 copper hose jacket, 10 uniforms.

Engine Company No. 2

Reo Truck equipped with 250 GPM pump, 80 gallon booster tank, 150 feet of ¾ inch booster hose, 800 feet of 1½ inch hose, 2 24 foot extension ladders, 4 lengths of 3 inch suction hose, 6 soda and acid extinguishers, 1 15 pound carbon dioxide extinguisher, 1 250 watt portable light and generator—power taken from truck engine, 1 officers' hand light, 4 uniforms, 3 pails, 1 bar, 1 axe. This truck is equipped with trailer for forest fire trailer.

Ladder Company No. 1

Mack City Service Ladder Truck with 750 GPM pump, 500 feet 2½ inch hose, 281 feet of ladders, 1 deluge set, 1 cellar syphon, 1 life net, 3 hose covers, 1 complete lighting plant consisting of 1 5,000 Watt generator, 1 1,500, 1 1,000 Watt flood lights, 2 250 Watt portable lights, 2 2½ gallon soda and acid extinguishers, 2 lengths of 5 inch hard suction hose, 17 uniforms, 1 officer's hand light.

Special Service Truck

Lincoln Special Service Truck, 400 feet of 1½ inch hose, 1 pure air pressure reblower, 2 pure air masks or helmets, 300 feet pure air hose. These masks are equipped with telephones, 1 H and H inhalator, 1 first aid kit, 2 drawers of first aid supplies, 1 1,500 Watt generator, 1 500 Watt light, 1 250 Watt light portable, 1 officers' hand light, 2 salvage covers, 1 Army type stretcher, 1 15-pound carbon dioxide extinguisher, 7 uniforms, 560 feet of ½ inch rope, 50 feet ¾ inch rope. This truck is equipped with a trailer hitch for life boat trailer.

Forest Fire Trailer

This Trailer carries pump cans, small forest fire tools and shovels, also portable forest fire pump.

Chevrolet Truck

This truck is used for line work picking up hose and other trucking for fire department.

There is on hand at the Central Fire Station 2,700 feet of 2½ inch fire hose, 24 pump cans, 3 2½ gallons soda and acid type extinguishers, 2 foam type extinguishers, 20 long handle shovels.

Buildings involved in fire, value	$93,400.00
Damage to buildings by fire	18,687.00
Insurance on buildings involved by fire	77,400.00
Insurance paid on damage to buildings	15,687.00
Loss on buildings involved by fire	3,000.00
Contents of buildings involved by fire	59,200.00
Damage to contents by fire	8,871.00
Insurance on contents of buildings	13,548.00
Insurance paid for damage to contents	5,311.00
Loss on contents	3,561.00
Total loss buildings and contents	$6,561.00

The Board of Engineers' Report

The past year has seen the return of most of the men that were called to the colors during the war and are being placed back in the ranks of the department.

The fire alarm signal has been changed from the Central Station to its present location on land leased for that purpose. The radio transmitter, air tanks and whistle were moved to that same location with minimum of lost time. The whole job of moving this equipment was under the supervision of the Superintendent of Fire Alarm, C. D. Cunningham.

The board recommends that repairs be made to the floor of the Central Station, as it is badly in need of reinforcement and repair.

That 500 feet of 2½ inch double jacket hose, also 500 feet of 1½ inch hose be purchased.

That a new resuscitator be purchased for use of rescue squad, this to take the place of the inhalator that is worn and not up to present standards of safety.

The board of engineers wish to take this opportunity to thank all of those who have helped to make this a successful year. His Honor, the Mayor, the Fire Committee and the City Council, to the members of the Fire Department for their devotion to duty, to those who served as military substitutes, thanks for a job well done. We thank you for past and continued support.

Leslie Boomhower, Chief, Franklin Fire Department,

Clarence L. Thompson, 2d Assistant Chief.

Police Department

Report of Chief of Police Charles E. Legare

To the Mayor and the City Council of Franklin, I herewith submit my report for the year 1945:

Drunk	36
Drunk and disorderly	19

Nol prossed	2
Bail forfeited	1
Discharged	2
Total	138

Receipts	$1,482.42
Disbursements	913.06
Balance to City Treasurer	$569.36

EDWARD L. WELCH, Clerk, Municipal Court.

Franklin Public Library

Librarian's Report

To the Trustees of the Franklin Public Library:

The time has come to summarize the activities and achievements for the year of 1945. Many important library services cannot be measured by statistics but form a real background for the routine that is expected by any progressive community. Our public library is an institution with a commendable past history and it looks forward to a growing service to the people who make up the city in which we live.

Returning Service Men and Women

It has been a pleasure to see increasing numbers of those in the armed services returning to our midst. Many seek the library because of former association with it or because they have learned elsewhere what a library has for them.

There is an attempt to have available material for the returning veteran, with his need for suggestion and more complete information on specified subjects, such as further educational training, a desirable business or trade, or plans for the home he hopes to build.

New Borrowers

The registrations for the year have brought the library 339 new readers, or better than one borrower for each day the library was open. Withdrawals because of removal elsewhere or death have totaled 91, leaving an active list of 2,933 borrowers, which practically equals the minimum standard set for cities of 5,000-10,000 population.

Reading Tally

The reading interests of the library patrons have remained practically in the same proportion as last year, although the cessation of the war has meant a slightly lessened demand for books connected with the many phases of World War II.

Local circulation has figured 57¾% fiction, 19¾% non-fiction and 22½% juvenile books.

Interlibrary Loans

For the benefit of those readers who enjoy reading in foreign languages we have been able to borrow 54 French books and 25 Polish titles from other libraries. Books on a great variety of subjects have been requested and received from the State Library and other public libraries. The union list of library holdings in New Hampshire, compiled by the State Library, makes the accommodation loans a workable proposition. We have borrowed 131 books, including the foreign books, and we have loaned 14 requested volumes.

Statistics

Books

	Adult	Children	Total
Number of volumes at the beginning of the year	21,136	2,001	23,137
Number of volumes added	903	251	1,154
	22,039	2,252	24,291
Number of volumes withdrawn during the year	592	64	656
Total number of volumes at the end of the year	21,447	2,188	23,635

Number of magazines currently received: 109

Number of newspapers currently received: 6

Circulation

Number of volumes adult fiction borrowed	25,026
Number of volumes of children's books borrowed	9,966
Number of volumes of adult non-fiction borrowed	6,149
Number of magazines borrowed	1,780
Number of pamphlets borrowed	651
Total number of volumes borrowed in 1945	43,572
Per capita circulation	6.45

Trust Fund Purchases

Anna G. Blodgett Fund: Current abbreviations; Wilson bill of reference books; Fifth and final payment on the United States Catalog and Cumulative Index; Architectural heritage of the Piscataqua; Album of American history, v. 2; McInnes, The War, fifth year; 1944 Current biography; 1945 New Hampshire Register; 1946 Standard postage stamp catalog; Geiringer, Musical instruments; American Guide series, 24 states.

Frank and Ella Chapman Fund: Americana encyclopedia, 30 vols., balance of payment; 1945 Americana annual; History of Plymouth, N. H., 2 vols.; Taft, History of American sculpture; Rigby, Lock, stock and barrel; American wild life.

Jeremiah Clark Fund: Ayer, 1945 Directory of newspapers and periodicals; 1945 Social work year book.

Contributor's Fund: Miller, Encyclopedia of Bible life; Hazeltine, Anniversaries and holidays; Dyke, Automobile encyclopedia; Rehler, Manual of cultivated trees and shrubs; Post, Etiquette (rev. ed.); Monro, Costume index; Wilcox, Modes in hats and headdress; James, Mathematics dictionary; Funk & Wagnall, Standard dictionary (unabridged); Black, Key to weaving.

Frank L. Morrison Fund: 1945 Britannica year book; Rayner, Elementary surveying; History of Hillsborough, N. H., 2 vols.; 1945 American library directory.

Helen Pike Parsons Fund: Junior Literary Guild books (four groups include 48 titles); Hamilton, Mammals of eastern United States.

The Building and Equipment

Acoustical ceilings have been installed in the reading room and in the children's room. The ornamental cornice in these rooms received a fresh coat of paint and the walls were washed with satisfactory results.

Four library-type Windsor chairs were purchased for the librarian's office.

A storm door, with summer screen and winter panel provision, was built for the rear basement entrance. Two work room and back stairway windows were screened.

Meetings at the Library

The following groups have met at the library for regular or special meetings. Board of Library Trustees, Woman's Club, Hospital Aid, Chamber of Commerce Executive Board, Americans United, Visiting Nurse Association, Graduation of the Nurses' Aides and TB Seal Tag Day headquarters.

Exhibits

A variety of exhibits, now having a definite place and purpose in the program of today's library, have been arranged. These have included articles of interest from Alaska, Rome, Egypt, Palestine, China, Africa, Italy, the Pacific and other war theatres. Chester A. Griffin, assisted by Perin E. Hersey and Raymond H. Hebert, provided four exhibitions of overseas souvenirs received by News Digest. Dolls, stamps and rare books have been displayed, also.

A traveling exhibit of juvenile books sent out by publishers early in the year was enjoyed in the children's room.

Three collections of artistic photographs were displayed, one from Popular Photography, another from the Maynard Workshop was of New England schools and colleges, and the third group comprised a variety of studies from the National High School Salon of Photography.

American Art Week was observed by a showing of twelve prints from the American Art Folios of the State Library.

Work with the Schools

Cooperation with the schools is a library custom that continues year after year. Reference work, subject grouping of books, lists for specified classes and selection of books for school room use are routine work.

Other connections with the schools have been the visits of certain grades or classes. Books, curios and pictures of the Pennsylvania-Dutch region were shown to a Nesmith School grade. A colorful exhibit of many articles from Mexico, loaned by Mrs. Velma Smith Dalphond, was visited by Junior High classes and Hancock School grades. Senior high students, studying the library in an English course, spent a class period at the library, where library arrangement was discussed. Three questions were assigned to each student to give practice in using the card catalog.

There have been 789 books loaned for school room deposits during 1945.

The War

Our collection of books covering the activities in the several fields of the armed services has grown during the war years. A local souvenir of this period is the file of news sheets, publications and magazines sent either directly to the library or to the News Digest by Franklin men and women in the services. These have been labeled and filed for those who are interested to see them.

An album of pictures and cards sent to News Digest during the 64 weeks of its publication has been presented to the library and may be seen at any time.

Memorial Book Shelf

One gift of the year was given in memory of 2nd Lt. Robert W. Taylor, Jr., who was lost on a mission between Italy and Yugoslavia. Cox. Seth A. Goodhue, USNR, of Bristol, a close friend, presented an air corps book "Mediterranean Sweep," by Major Richard Thruelsen and Lt. Elliott Arnold.

Many libraries have a memorial shelf of books presented by relatives or friends of persons who have died, although not necessarily in the armed services. Such gifts are made sometimes instead of sending flowers at the time of death. A note from the donor to the family informs them what has been done in place of the customary flowers which last such a short time.

The books given as memorials receive a bookplate and a special marker naming the donor and the one in whose memory it is presented.

Publicity

Short, annotated lists of recent additions at the library have appeared weekly in the Journal-Transcript. The 85 titles listed since October first have brought 30 definite requests for these books.

During Good Book Week in November, through the courtesy of Mrs. Harriet Fisher, it was possible to have a two-window exhibit of books in the vacant store next to the News and Book Shop. Recent books, children's books, books by Franklin authors, and good pamphlet material comprised the display. Dolls from different countries appeared among the books to emphasize the year's theme "United Through Books."

A list of recent additions of religious books was sent to all ministers in town last spring.

The Staff

The library staff has had its share of change during the year. Miss Muriel E. Davis resigned in May, after five years as library assistant. For the summer months Miss Janet Yacopucci and Miss Catherine Curran served as part-time assistants to cover vacation schedules. In September Miss Roena E. Ordway, a graduate of Franklin High School in the Class of 1945, accepted the regular position of library assistant.

Professional Obligations

The librarian has served as chairman of the membership committee of the New Hampshire Library Association and has presented book reviews at a few local gatherings.

In October the 56th Annual Meeting of the state association was held for two days at the Laconia Tavern. Mrs. Alice M. Shepard and Mrs. Carrie Eddy, trustees, and the librarian were in attendance.

Gifts

The Junior Audubon Society, now disbanded, presented the library with a check for $13.67, the balance on its bank book, for the purchase of bird books and charts for the use of the children of Franklin.

The New Hampshire Historical Society contributed sixteen volumes of New Hampshire historical material not already in the library.

A collection of 150 volumes was received from Mrs. Otis Daniell.

Local donors for 1945 have been: Rotary Club of Franklin, Cutter's Esso Service Station, The Journal-Transcript, Franklin National and Savings Banks, Mrs. Walter E. Burleigh, Miss Grace Macdonald, Mrs. Eva Crosby, Mr. Milton Wend, Mrs. Walter Richardson, Mrs. Robert Underhill, Mr. and Mrs. Richard Sulloway, Junior Audubon Society, Mr. Wallace Cutler, Miss Juliette Leahy, Mr. Harold Benson, Miss Celia B. Walker, Franklin High School, Franklin Police Department, Franklin Highway Department, Franklin Water Works Department, Mrs. Cyprien L. Roy, Mrs. Emma C. Boody, Miss Margaret Boody, Mr. Walter F. Duffy, Mrs. Bertha L. Trickey, Mr. Herbert French, Mr. Herbert L. Powell, Miss Ida Cannon, Mrs. Ellen E. Webster, Mr. and Mrs. George T. Ordway, Mr. Eugene Daniell, Mr. and Mrs. Fred Libbey, Rev. Noble O. Bowlby, Mr. and Mrs. Roland E. Foster, Prof. Robert M. Yerkes, B.P.O. Elks, No. 1280, Mrs Edward Paige, Miss Gertrude Dresser, Mr. Chester A. Griffin, Kidder Lumber Company, Mrs. Robert Cunningham, Miss Helen Russell, Mrs. A. M. Hancock, Mrs. Mae Fowler, Mr. Peter Charland, Mrs. Martin H. Streeter, Mrs. John H. Starie, Mr. Bland Redman, Mrs. Sarah Emery, and many others who have given duplicate magazines.

The members of the staff are often reminded of the interest and pride the citizens of Franklin have in the library and what it offers the community, and bespeak continued cooperation and support of their efforts.

Respectfully submitted,

MILDRED J. PEASLEE, Librarian.

Visiting Nurse Association

PRESIDENT'S REPORT

The Visiting Nurse Association was organized and incorporated January 1st, 1945, taking over the work formerly carried on by the Franklin Chapter of the American Red Cross. The transfer of this service was made at the request of the Red Cross whose policy has been to institute and demonstrate the value of public health nursing and then turn the service over to a local tax paid agency.

At the first meeting which was held in the lower hall of the Opera House the Constitution and By-Laws were adopted and members of the Executive Board were elected. Monthly meetings of the Executive Board are held at which time the nurse reports on the work and policies and plans for new work are discussed.

There have been more calls made by the nurse this past year than ever before and the largest amount in fees collected. New work this year has included toxoid clinics. The regular contracts with the Metropolitan Life Insurance Company and the John Hancock Life Insurance Company have been renewed.

The association members conducted the usual rummage sale this year netting $404.04. Funds raised at the sale plus membership dues are kept in a special fund. This fund is to be used for a new car or any special project in public health work for which no other funds or appropriations have been made.

There were 40 members of the association during 1945 and it is earnestly hoped that during the coming year the membership may be greatly increased.

MARGUERITE E. HOLMES, President.

JOSEPH S. CASHMAN, Treasurer.

Board of Education

REPORT OF SUPERINTENDENT OF SCHOOLS

It is with pleasure that I submit my first annual report as Superintendent of Schools for the City of Franklin. My appointment in the latter part of October followed the death of Mr. Fred S. Libbey, who was Superintendent of Schools in Franklin for nearly a generation. On every hand there is evidence of the wise leadership of my predecessor, who devoted a good part of his life to the building of a public school system of which the citizens of Franklin may well be proud.

It would be presumptuous to suppose that one could write a comprehensive report completely covering all of the administrative problems of the school system after having been in office but a little better than two months. First impressions are apt to be erroneous, and for that reason it is hoped that the readers of this report will view with charity any invalid conclusions.

Pupil Population

The enrollment at Franklin High School has been in decline during the war years. The present enrollment of 243 may be compared to a peak enrollment of 337 in 1941. Undoubtedly, the enrollment in the high school and junior high school will increase in the next few years, since inevitably employment opportunities for young people will decline.

Increasing enrollments in the primary grades at the Hancock School have made it necessary that an additional classroom be opened in that building. The continuance of the trend toward larger enrollments in the Hancock school would seem to be indicated by census figures. It is hoped that through a study of pupil location and transportation, it may be possible to assign pupils now attending the Hancock School to the Nesmith School where grades are not as crowded.

Pupil Health

The splendidly organized program now operating under the direction of Miss Marion Moynihan, School Nurse, is one of which the school department may well be proud. However, many communities the size of Franklin have found it wise to employ the services of a School Physician and a School Dentist to supplement and assist the School Nurse. Consideration might well be given to the advisability of inaugurating such further care for the children of Franklin.

The advisability of introducing a school lunch program of sufficient scope to permit every child to have a hot, nourishing meal at noon has been well established by the success of such programs in other communities. It is increasingly evident that children will show greater educational and physical gains under such a program. Through the assistance of the United States Government, food and financial aid are available to communities where satisfactory programs are operating. If a majority of the children attending the schools of Franklin were to participate in such a program, it might well be possible to shorten the somewhat lengthy noon period of an hour and forty minutes, and thereby shorten the school day. For some children who reside in outlying areas, the school day extends from 7:30 a. m. to 4:00 p. m.

Because of the large area that Franklin covers, it is not always possible to determine fairly when the schools should be closed in order that pupils not be exposed to unnecessary physical risk and hardship. Parents are urged, therefore, to exercise their own judgment as to the wisdom of sending young children to school during bad weather.

School Buildings

Franklin may well be proud of its splendid high school, which is not only attractive but well-equipped. Schools are subject to hard wear, and periodic renovation of the building will in the long run prove sound economy. Consideration might well be given to the advisability of making greater use of this building by the community during the hours when school is not in session.

It is remarkable to find such a splendid junior high school program operating in view of the limitations of physical plant at the Daniell Junior High School. The accommodations for physical education and extra-curricular activities in general are woefully inadequate. The arrangement for heating the building, which was at one time the stable on the Daniell estate and which is now used as a gymnasium, home economics laboratory, and for storage space has apparently never been satisfactory. This building as it is presently operated would appear to be more of a liability than an asset.

The Hancock and Nesmith school buildings, while older edifices have been well kept. Periodic renovation of these buildings will provide many years of thoroughly adequate housing for elementary pupils, providing that the enrollment of pupils at the Hancock school does not exceed the building's accommodations.

Personnel

Franklin has been fortunate in that it has kept its schools well-staffed during the war years. The teacher shortage that has affected many school systems will be in evidence for a number of years to come. Teacher training institutions have had fewer pupils enrolled. Many embryonic teachers enlisted in the war effort. Husbands of young women who have been serving the schools will return to deprive the schools of their services. Many young men who left teaching during the war years will fail to return to the profession. Every community will feel the effect of the war on the teaching profession, but those communities where salary levels are in keeping with the increased cost-of-living will be least affected.

It would appear to be in the community's interest to establish a salary schedule for school department employes in the near future. Careful consideration need be given to this matter if such a schedule is to provide not only a fair wage for employees, but the financial structure of the City of Franklin.

Recommendations

It is unfortunate that many of the improvements your superintendent would like to suggest will require additional funds. The operation of a school system is little different from the operation of a house or business, and as surely as rising costs affect a home or business they affect a school department. The lowered purchasing power of the dollar, the postponement of needed repairs and alterations during the war years, the increased cost of essential supplies; all of these things are reflected in a school budget. Despite the burden of taxation which a community must impose upon itself to support the schools it is in the community's interest to safeguard and improve the education of its boys and girls. It is my earnest conviction that Franklin's schools will be better schools if the following proposals are carefully considered and as soon as financially possible, adopted.

1. A new basic reading program should be introduced in the elementary schools.

2. A remedial class should be established for slow learning pupils on both the elementary and junior high school levels.

3. A program of visual education instruction closely correllated to the program of studies should be introduced in all grades of the school system.

4. More adequate accommodations should be provided at the Daniell Junior High School.

5. A program of supervised physical education should be introduced in all grades of all schools.

6. The services of a school physician and school dentist should be obtained.

7. A secretary should be provided for the principal of the high school.

8. A school lunch program should be introduced, providing a hot, well-balanced meal for every pupil at a nominal cost.

9. The length of the school day should be shortened, particularly for younger pupils.

10. A standardized testing program should be inaugurated.

Respectfully submitted,

DONALD W. DUNNAN,

Superintendent of Schools.

FRANKLIN HIGH SCHOOL HEADMASTER'S REPORT

January 1, 1946

Mr. Donald W. Dunnan,

Superintendent of Schools,

Franklin, New Hampshire

Dear Mr. Dunnan:

Since this report is intended for publication, I will take a few lines to pay tribute to your predecessor, Mr. Fred S. Libbey, Superintendent of Schools of Franklin for nearly 25 years. The educational growth in our schools during his term is in itself a monument to his leadership. His enthusiasm, his ready smile, his high ideals, his competent advice, and his untiring effort to be helpful to young people will continue to inspire his teachers, pupils, and friends for a long time. Franklin lost a fine educator and a humble servant.

The enrollment of the high school has begun this year to return to normal. The total enrolled to date is 254 divided into classes as follows: Seniors, 63—Juniors, 75—Sophomores, 116. I feel very sure that the number will continue to increase for the next few years to nearly 300.

The physical education program has been further improved this year to the extent that every boy and the great majority of girls are included in the classes. Again the doctors and dentists have cooperated by making it possible for every boy and girl to have a physical and dental examination. In every case where a defect was uncovered, the school nurse, Miss Moynihan, made sure that the parents were notified and that corrective work was begun. As our physical education, athletic and health programs continue to enlarge, we very definitely need to have a doctor appointed as school doctor. Such services are needed for the first examination, at intervals during the year for re-examination, at athletic events (particularly football), to be available for call in emergencies and to supervise the general health in all schools.

There were only two faculty changes this year. Miss Marion Brooks replaced Miss Jean Nolette as teacher of French and Sophomore English. Miss Bettina Dalton replaced Mrs. Marion Kimball as teacher of social science and English. The library is now in full operation. Several valuable additions have been given by interested persons. This room is open every period of the day and it is usually filled to capacity. The cafeteria service provided by the domestic science foods classes under the supervision of Miss Pellerin now provides a hot lunch for about 125 every noon. The cafeteria has a maximum seating capacity of 75 The overflow is taken care of in regular classrooms. Preparing food and cleaning up afterward for this number requires more help and more constant supervision than we are set up to supply. It is only through the excellent management and many extra hours given to this project by Miss Pellerin that we are able to continue. I recommend that for another year a full time cafeteria manager be assigned to carry on this work.

The vocational guidance program has now been developed so that every boy and girl can get definite assistance before his Senior year. The first step was taken last March when representatives from the Boston University testing bureau came to the school to give a series of Vocational guidance tests. These tests measured mental ability, reading ability, vocabulary, mechanical aptitude, clerical ability, and interests. This was followed up by a personal interview given by Mr. Burleigh and myself. By comparing measured ability to known interests and the school record, it is possible to give very positive assistance to a boy or girl in the choice of a life's work. Also it points out the areas in which corrective help can be given before graduation. We are very much satisfied with the results. It is interesting to note that if a pupil were to have this same service given by private appointment, it would cost him $10.00 plus the added expense of a trip to Boston. This program was improved this fall by giving a series of Educational Guidance testing programs to the ninth grade and continuing the Vocational Guidance in the eleventh grade. The Educational Guidance tests are designed to assist in planning the four year program of subjects and to point out very specifically the strong points and weaknesses the pupil has in the fundamental subjects of Reading, Vocabulary, English usage and Mathematics. I hope that this program can be continued each year. In this way we will know exactly what the needs of our pupils are and we can better prepare them to take full advantage of their abilities when choosing their Vocation.

The Roger S. Martin Memorial Field is now equipped with steel bleachers which will seat about 1100 spectators. This was made possible by money from the Alumni Bleacher Fund Drive, the High School Activities Association and the City of Franklin. They are so built that they can be used for both Football and Baseball games.

The records of the High School Activities Association have been audited by Prince and Stebbins. These records have been summarized to show income and expense items for each activity. This type of a report will be published each year at this time.

The administration of the High School could be greatly improved by the appointment of a full time secretary. At the present time about three quarters of the headmaster's time would be taken up if all of the office work is to be done properly. The net result is that the work is divided among capable pupils, some teachers and the headmaster. This produces endless confusion and low efficiency of operation. Also all school activities which handle money, Swing Club, Music Clubs, Classes and Student Council, in addition to the activities mentioned in the financial report, have accounts with the faculty treasurer. Last year, the total business carried on through this treasurer amounted to nearly $10,000.00, income of $4,849.47 and expense of $4,461.15. Remember these exchanges were nearly all in small amounts.

Miss Creteau, who is the faculty treasurer, not only handles all of this work, she teaches every period every day. A full time office secretary would have a full day's work in just running the office and handling all accounts. The large number of state and local reports could also be turned over to such a secretary. I strongly recommend that action be taken in this matter before another school year.

I wish to extend my sincere appreciation to the School Board, Superintendent, Teachers, Pupils, and parents for their cooperation and support during these very difficult war years.

In behalf of the Faculty and pupils of the High School I wish to welcome you to Franklin and express our desire that your stay in Franklin will be successful and happy.

Very truly yours,

JOSEPH J. CASHMAN,

Acting Headmaster

PRINCIPAL'S REPORT, DANIELL JUNIOR HIGH SCHOOL

Mr. Donald W. Dunnan,

Superintendent of Schools,

Franklin, New Hampshire

Dear Mr. Dunnan:

I hereby submit the annual report of the Daniell Junior High School for 1945, together with recommendations for the current year.

Nineteen hundred forty-six brings with it a new world so filled with educational opportunities that few of us can get the vision of what heights boys and girls may attain if a variety of avenues of learning can be opened to them.

Parents have every right to expect our schools to offer adequate and varied curricula to develop each child to his capacity in health, learning, and self-adjustment to his environs.

We glibly say, "boys and girls of today are our citizens of tomorrow" but to fashion better citizens than a community has ever known we need to begin today. Tomorrow will make demands very foreign to present day needs so our beginning must be in the nature of a complete revolution in our physical plant as well as in our curricula.

In junior high school pupils are at the adolescent period where physical growth is rapid and where carefully directed physical instruction must not only strengthen bodies but also furnish an outlet for pent-up energy. Our outdoor facilities for these activities are second to none but our gymnasium is not adequate to our present needs.

The "Warren F. Daniell barn" has served the school and community extraordinarily well for twenty-three years but is quite inadequate for our needs now. Before another fall this structure should be replaced by a modern, well-equipped gymnasium to be used for that purpose solely. The cost? A great deal. An investment in a child's health pays dividends too great to be estimated in dollars and cents.

Our curricula needs many changes to provide for the years ahead and our teaching staff will have to be increased if we are to carry on better than ever in our history. With this end in view may I emphasize one great need in the junior high school, namely—some special provision for teaching pupils who have handicaps that make regular classroom procedure too difficult. Such a set-up requires a teacher who is an expert in many branches of learning, a specialist in child psychology and one with a practical turn of mind. Equipment for such a room would be expensive because pupils' needs, aptitudes, abilities, and individual differences must be considered. Again, expense must be secondary if you expect Franklin's schools to be an honor to you and yours because you are willing to pay to make better citizens.

We desperately need classes in Remedial Reading and Mathematics, Printing, Drawing, Health and other vital subjects. These call for an increase in teaching staff and physical equipment.

The junior high school is an educational center for Gerrish, Salisbury, Sanbornton, Hill, South Danbury, Webster and Andover which explains why our enrollment varies from year to year.

We were not crowded this last year but all signs point to the need of a big building program in the immediate future.

There were no changes in our faculty personnel in 1945 and that in itself was an advantage and rather an exception in the teaching world for most schools suffered losses from their staffs to the service of their country.

During the year we continued the purchase of War Bonds and stamps. We received twelve dollars ($12.00) from our White Christmas gifts which was given to Miss Moynihan to use in her work. We sent forty-seven dollars ($47.00) from the sale of Tuberculosis stamps.to Miss Marion Garland of the State T. B. Association. Sixteen dollars and eighty-five cents ($16.85) was contributed to the March of Dimes and the school enrolled in the Junior Red Cross one hundred per cent.

Our general routines and activities have been much the same as in previous war time years and I suggest that you refresh your memories by re-reading the school reports for 1943 and 1944.

At this time teachers wish again to express their deep gratitude to Mr. Sidney Holmes for his tireless efforts in making possible a variety of recreational activities. He has spent time and money to provide instruction and equipment for badminton, tennis, ping-pong, checkers, etc. If skates, skiis, tennis rackets, nets or basket-

balls needed mending, Mr. Holmes seemed to find time to do the repairing. We cannot say enough concerning the value to boys and girls of their contacts with him.

In conclusion let me drive deep into the minds of parents the fact that they and the homes they provide are the sources of education. What the child is today and what he becomes tomorrow is what his home makes him. If this home fails to give him his birthright—a foursquare development physically, morally, socially, and intellectually, then the school can never fulfill its true mission. After all, no school is stronger than the weakest home represented therein.

Respectfully submitted,

BESSIE C. ROWELL, Principal

In the passing of Fred S. Libbey the junior high school lost its founder and staunch friend. Our tribute to his memory shall be a constantly progressive school always reaching for the goal of the greatest good for the greatest number of pupils.

We, teachers and pupils, wish publicly to express our love, respect, and admiration for our superintendent who was a veritable part of this school for twenty-three years and whose work as an educator will always be with us.

SCHOOL NURSE'S REPORT

January 1, 1946

Mr. Donald W. Dunnan,

Superintendent of Schools,

Franklin, New Hampshire

Dear Mr. Dunnan:

The value of good health, emphasized as it was by both military and civil authorities during the war, demands equal consideration in the post-war world. If American youth is to prepare for and assume the important tasks in a world of peace, it is necessary that every precaution be made to insure the health of the boys and girls who are to become the future citizens of tomorrow.

National statistics compiled during the period of war reveal that despite great advances, there is still much to be done relative to the health program of the nation. This is particularly true of the incidence of Tuberculosis. It is worthy of note that during the past year, New Hampshire continued to maintain a leading position among those states having a low death rate due to this disease. This fact, however, must not cause us to relax our vigilance against the inroads of this serious malady, where every new case becomes the potential source of others. Precaution is the keynote with a view towards observing and checking the disease in its incipient stages. One of the best methods of doing this is the use of the Tuberculin Skin Test—a harmless, yet most diagnostic test. Where the test indicates a suspicious condition, an X-Ray picture of the chest is taken for confirmatory purposes. This Tuberculin Skin Test was given to 138 pupils, teachers and janitors in the Junior and Senior High School and all positive reactors to the test were X-Rayed.

As a further precautionary measure, two chest clinics were held in January and June, 1945. Dr. Robert Kerr, of the New Hampshire Tuberculosis Association, was in charge of both clinics. Total number of children who attended the clinics were 116; total number of X-Rays taken at the clinic were 48.

Precautionary measures are of equal importance in connection with toxoid conditions, particularly those connected with Diphtheria. During the month of May and June, a toxoid clinic was held with the generous cooperation of the doctors of the city. Eighty-one kindergarten and first grade children were administered toxoid serum on two separate occasions.

Health authorities are in agreement on the fact poor tonsils are a constant threat to good health. The annual tonsil clinic sponsored by the Franklin Rotary Club was held during the months of June and July. Twenty-three children were cared for at this clinic and 15 tonsil cases were cared for privately.

National reports reveal that there is still much to be desired relative to the dental health of the nation. Oral hygiene has always played an important part in the health program of the Franklin schools. Five hundred and seven children received dental corrections.

Vision and hearing, because they constitute the two important avenues for education, demand constant attention in all health programs. The correlation of poor sight and defective hearing with poor school achievement is well known. Eye examinations were administered by various doctors, and glasses were secured for 70 children. Children who failed to pass the hearing test last year, all new pupils and pupils entering the third grade for the first time had their hearing tested with the No. 4 type Audiometer. Two hundred and eight children were tested during the month of October. As a result of these examinations, lip reading was recommended for and is given to 10 children. These classes are conducted weekly by a trained lip reading teacher, Mrs. C. E. Hammond, of Manchester, N. H.

Physiotherapy is an important factor in the treatment of many physical defects which, untreated, may become serious handicaps. The physiotherapy center located in the Junior High School under the direction of Miss Ann Lally of the New Hampshire State Board of Health continued to offer its services to those children who, because of postural and foot defects, needed this service. Fifteen children receive treatment at the Center twice a month. Fifteen children were transported by the American Red Cross to the orthopedic clinic in Concord during the year for examinations.

Every health program recognizes the importance of good nutrition in the safeguarding of health and the prevention of disease. Milk constitutes an essential part of every nutritive program. The child who is malnourished and hungry cannot be expected to do his best work in school. Therefore, we cannot overestimate the value of milk served to our school children during the morning recess. The following figures will be of interest:

Number of bottles of milk served from January 1944 to January 1945:

Hancock School	28,827
Nesmith School	15,595
St. Mary School	31,890
Senior High School	14,655
Junior High School	16,456

The importance of detecting disorders in their incipient stages cannot be over-emphasized. To this end, medical and dental examinations were given by doctors to the ninth grade and the senior high school pupils. Dr. Arthur White and Dr. William Smith administered the medical examinations. Dr. Robert Sawyer, Dr. James Sullivan, Dr. Frederick McKee, and Dr. Maurice Sargent gave the dental examinations.

The health program of any school has two chief objectives:

(1) To develop within the pupils a greater appreciation of and desire to conserve and protect their own health

(2) To lead parents, teachers, and the community to a recognition of the school as an effective agency for the betterment of the health of the home and the community

These two objectives have not only been recognized, but are being given every consideration by all who are interested in the health program of the Franklin schools.

In keeping with this, I wish to express my sincere gratitude to the Directors of the Tobie Trust Fund, Franklin Rotary Club, doctors and dentists of Franklin, The American Red Cross nurses' aides, the American Red Cross motor corps, teachers, parents, and pupils for their wholehearted cooperation during the past year.

Respectfully submitted,

MARION G. MOYNIHAN, R. N.

SCHOLARSHIP FUNDS

Sanger Scholarship

Resolved by the Board of Education of Franklin:

Whereas, Warren F. Daniell has by his written communication addressed to the Board of Education, expressed his intention of establishing a free scholarship for graduates of the Franklin High School in Simmons College in honor of his mother, and to be known as the "Sanger Scholarship", and agreeing to pay annually a sum sufficient to pay the costs of tuition for one student for four years in any of the courses described in the catalogue of the College, and

Whereas, a student to be awarded this scholarship must comply with the following regulations: First, she must have completed four years' satisfactory work at the Franklin High School; second, her parents must reside in Franklin; third, the student's parents must be unable without undue deprivation to pay the tuition themselves.

Be it resolved: That the Board of Education of the City of Franklin fully appreciate the spirit that prompted Mr. Daniell to establish this scholarship for the benefit of the young women of said city, thereby creating an additional incentive for higher educational advantages: and

Be it further Resolved: That said Board of Education willingly accepts said trust: and

Be it further Resolved: That a permanent Committee on Scholarship shall be established to consist of the Chairman of the Board of Education, the Superintendent of Schools and the Headmaster of the High School of said city, and

Be it further Resolved: That this resolution shall be printed annually in the school report of said Board.

Franklin Student Aid Fund

To the Mayor and Members of the City Council, Franklin, N. H.:

In June, 1921, I placed with Dartmouth College at Hanover, N. H., a fund of $2,500.00—the income from which I wished to be used to assist under certain conditions students at that institution who were residents of this city.

It was found incompatible with the methods of disposing of the funds at Dartmouth College, to handle this fund under the con-

ditions which I wished to impose—and for that reason I have transferred this sum from Dartmouth College to the City of Franklin.

I am attaching herewith the securities representing the fund together with a statement of the methods I wish followed in disposing of the income from the fund.

Respectfully yours,

WALTER F. DUFFY.

Franklin Student Aid Fund

Established by Walter F. Duffy, June, 1921.

A sum of $2,500.00 is entrusted to the City of Franklin, N. H., the income from which is to be used to assist worthy boys and girls, residents of this city, to secure a collegiate education or its equivalent.

The recipients of the income from this fund are to be selected by a board of three consisting of the Chairman of the Board of Education, Superintendent of Schools and Principal of the High School of the City of Franklin, N. H.

The income from this fund is to be disposed of under the following fixed conditions:—

I. Scholarship

A student must attain such satisfactory standing in studies as to make it apparent to the authorities of the institution of learning where he attends, that it is advisable that the student pursue his studies and that he is on this account worthy of financial aid.

II. Financial Needs

It is to be required that the students who receive benefit from this fund shall be obliged, through lack of family financial resources, to earn at least a substantial part of the money necessary to meet the expenses of their attendance upon their studies.

III. General Restrictions

It is to be understood that in alloting the proceeds of the fund, preference is to be given to students at Dartmouth College, Hanover, N. H., who are residents of the City of Franklin, N. H. If no such students apply for the benefits of this fund, then the

income can be used to assist any boys or girls who are residents of the City of Franklin, N. H., and who are pursuing a course of studies in any institution of learning giving a collegiate education or its equivalent, provided that the first two conditions covering the disposition of the benefits of this fund are fulfilled.

It is also to be understood that the income from this fund may be divided between two or more students, and that any students who receive financial aid from the institutions of learning where they attend are not thereby prevented from receiving aid from this fund.

If no students fulfilling the above requirements apply for the benefit of this fund the proceeds may be used as they accrue each year as seems best to the three persons mentioned above for the general educational good of the citizens of Franklin, N. H.

Daniell Scholarship

In the year of our Lord one thousand nine hundred and fourteen.

A resolution relating to the "Daniell Scholarship".

Resolved by the City Council of the City of Franklin, as follows:

Whereas, Jere R. Daniell of New London, Connecticut, on the second day of April 1914, by his written communication of that date, addressed to the Mayor and Council of the City of Franklin, expressed his intention of establishing a free scholarship for graduates of the Franklin High School to the Massachusetts Institute of Technology, in memory of his father, the late Warren F. Daniell, and to be known as the "Daniell Scholarship", and together with his letter of the 16th of May, 1914, in which he agreed to give the sum of two hundred and fifty dollars each and every year, hereafter, beginning September 1st, 1914, to cover the cost of tuition for one student for four years in any one of the courses described in the catalogue of the Institute, and,

That a student to be awarded this scholarship, in whole or in part, must comply with the following named conditions:

First. He must have completed four years' satisfactory work at the Franklin High School.

Second. His parents or parent must reside in Franklin, and be unable without undue deprivation, to pay the tuition required themselves.

Third. He must show during his four years' work at the High School, marked ability in some one of the several subjects covered by the Institute courses.

In case several candidates present themselves in any one year, the scholarship will be awarded by competition in the entrance examinations for the Institute. The candidate entering with highest standing to receive the award.

A holder of the scholarship will be expected to maintain the same standard of work at the Institute as that required of holders of regular Institute Scholarships and the scholarship will be withdrawn in case the work is unsatisfactory.

The right is reserved to divide the amount of the scholarship among several applicants should such action seem desirable.

Be it Resolved, That the City of Franklin fully appreciates the spirit that prompted Mr. Daniell to establish this scholarship for the benefit of the young men of said city, thereby creating an additional incentive for higher educational advantages in those who through misfortune or adversity would otherwise be prevented from obtaining the same; and

Be it further Resolved, That said City willingly accepts said trust, and does hereby direct that the annual payment of the sum of two hundred and fifty dollars shall be made to the City Treasurer, who shall pay the annual tuition of said student or students upon the presentation of the bill for same by the Bureau of the Institute, and,

Be it further Resolved, That a Permanent Committee on Scholarship shall be established to consist of the Chairman of the Board of Education, the Superintendent of Schools and the Principal of the High School of said City of Franklin, and

Be it further Resolved, That this resolution shall annually be printed in the reports of said city.

Approved, W. W. EDWARDS, Mayor.

Passed June 1, 1914.

Resolutions

RESOLUTION

No. 1

In the year of our Lord one thousand nine hundred and forty-five.

A Resolution relating to hiring money.

Resolved, by the City Council of the City of Franklin, as follows:

That, the Mayor and City Treasurer are authorized to hire money to pay the current expenses of the several departments and any outstanding notes, bonds, or evidences of debt of the City, becoming due and to give promissory notes of the City therefor.

Approved: HENRY J. PROULX, Mayor.

Passed: January 3, 1945.

A true copy attest: Mildred S. Gilman, City Clerk.

RESOLUTION

No. 2

In the year of our Lord one thousand nine hundred and forty-five.

A Resolution relating to borrowing money in anticipation of taxes.

Resolved, by the City Council of the City of Franklin, as follows:

That, the Mayor and City Treasurer are authorized pursuant to the Public Laws, C. 42, S. 75, to incur debts for temporary loans in anticiption of the taxes of the current municipal year, which loans are hereby expressly made payable from such taxes and to issue notes of the City therefor.

Approved: HENRY J. PROULX, Mayor.

Passed: January 3, 1945.

A true copy attest: Mildred S. Gilman, City Clerk.

RESOLUTION

No. 3

In the year of our Lord one thousand nine hundred and forty-five.

A resolution relating to pay schedule for members of the Police Department.

Resolved by the City Council of the City of Franklin, as follows:

Chief	$51.34 per week
Deputy	44.60 per week
Night Officers	44.60 per week
Specials	.66 per hour

Approved: HENRY J. PROULX, Mayor.

Passed: January 3, 1945.

A true copy attest: Mildred S. Gilman, City Clerk.

RESOLUTION

No. 4

In the year of our Lord one thousand nine hundred and forty-five.

A Resolution relating to hiring money in anticipation of 1945 taxes.

Resolved by the City Council of the City of Franklin, as follows:

That, for the purpose of paying such claims against the City of Franklin as may fall due before the fifteenth day of December, 1945, the Mayor and Treasurer of said City be and they hereby are authorized and empowered to make temporary loans from time to time during the current year 1945, for the use of said city, of sums not exceeding in the aggregate the amount of one hundred and fifty thousand dollars ($150,000.), said loans being in anticipation of the taxes of the present year and being hereby expressly made payable therefrom. Said Mayor and Treasurer shall give for the said loans notes of the said City bearing the authenticating certificate of the First National Bank of Boston, in Boston, Massachusetts, said notes to be signed by the said Mayor and Treasurer and payable December 14, 1945.

Approved: HENRY J. PROULX, Mayor.

Passed: January 3, 1945.

A true copy attest: Mildred S. Gilman, City Clerk.

RESOLUTION

No. 5

In the year of our Lord one thousand nine hundred and forty-five.

A Resolution relating to the salaries of the City Officers.

Be it resolved that, the salaries of the City Officers be as follows:

City Clerk, Tax Collector, etc.	$2400.00 per year

A true copy attest: Mildred S. Gilman, City Clerk.

RESOLUTION

No. 13

In the year of our Lord one thousand nine hundred and forty-five.

Resolution relative to aviation and air travel facilities in New Hampshire.

WHEREAS, the City of Laconia, New Hampshire, has instigated a move in the interest of development of air travel in central New Hampshire and in the Lakes Region; and

WHEREAS, said City of Laconia, through its Mayor and City Council, have prepared a resolution for present-ment to the Civil Aeronautics Board, the Governor of New Hampshire, the New Hampshire Aeronautics Commission, the Laconia Airport Authority, to our United States Senators and Congressmen in the interests of further development of aviation in New Hampshire; and

WHEREAS, said Mayor and City Council of said City of Laconia have requested the Mayor and City Council of Franklin, New Hampshire to co-operate with them in furthering aviation facilities in Central New Hampshire and the Lakes Region.

NOW, therefore, be it resolved by the Mayor and City Council of the City of Franklin, New Hampshire, that the City of Franklin lend every aid and assistance possible in supporting the aims and efforts of said City of Laconia in bringing about proper and adequate air travel and air travel facilities in New Hampshire.

Approved: HENRY J. PROULX, Mayor.

Passed: May 7, 1945.

A true copy attest: Mildred S. Gilman, City Clerk.

and the sum of $124,237.73 to meet the current expenses provided for by the appropriations made and same to be appropriated with other revenues of the City to meet the same.

Tax rate for 1945 $30.00 per thousand

Approved: HENRY J. PROULX, Mayor.

Passed: July 19, 1945.

A true copy attest: Mildred S. Gilman, City Clerk.

RESOLUTION

No. 16

In the year of our Lord one thousand nine hundred and forty-five.

A Resolution relating to the death of Fred S. Libbey, Superintendent of the Schools of the City of Franklin.

Resolved by the City Council of the City of Franklin, as follows:

Whereas, by the death of Fred S. Libbey, the City of Franklin has lost a citizen of unusual character and an honest and upright public servant as Superintendent of the Public Schools. Therefore be it

Resolved that the Council express its appreciation of him as a citizen and public servant by making this resolution a matter of record for preservation in the archives of the City and be it further

Resolved that a copy of this resolution be transmitted to the family of the deceased.

Approved: HENRY J. PROULX, Mayor.

Adopted: October 1, 1945.

A true copy attest: Mildred S. Gilman, City Clerk.

RESOLUTION

No. 17

In the year of our Lord one thousand nine hundred and forty-five.

A Resolution relating to municipal power and lighting.

Resolved by the City Council of the City of Franklin, as follows:

That the matter of municipal power and lighting be brought to the voters on November 27th, 1945, by referendum.

Approved: HENRY J. PROULX, Mayor.

Passed: November 5, 1945.

A true copy attest: Mildred S. Gilman, City Clerk.

RESOLUTION

No. 18

In the year of our Lord one thousand nine hundred and forty-five.

A Resolution relating to the purchase of the Foster property in Northfield.

Resolved by the City Council of the City of Franklin, as follows:

That the City Clerk enter into a memorandum of agreement with Harold W. Retter, Administrator of the Foster property, located at Northfield, N. H., at a price of $1,000.00, the assessed value, to become payable in the calendar year 1946.

This property contains 64 acres of land and is to be used for the loam and wood thereon.

Approved: HENRY J. PROULX, Mayor.

Passed: November 5, 1945.

A true copy attest: Mildred S. Gilman, City Clerk.

RESOLUTION

No. 19

In the year of our Lord one thousand nine hundred and forty-five.

A Resolution relating to the authorization of Mayor Henry J. Proulx to execute government contract No. W-19-023-eng-990.

Resolved by the City Council of the City of Franklin, as follows:

That the Mayor be authorized to execute a contract No. W-19-023-eng-990 of the government for rental of a truck and tractor complete with snow plow for use of the Franklin Falls Dam, Franklin, New Hampshire.

Approved: HENRY J. PROULX, Mayor.

Passed: December 17, 1945.

A true copy attest: Mildred S. Gilman, City Clerk.

Ordinance

An Ordinance relating to extension of garbage routes.

In the year of our Lord one thousand nine hundred and forty-five.

Be it ordained by the City Council of the City of Franklin, as follows:

That the garbage route on Salisbury Road be extended to the house of Horace Dean.

That the City will collect garbage on Aiken Heights.

That the City will collect garbage at Lawndale, so-called, in Ward One.

Approved: HENRY J. PROULX, Mayor.

Passed: December 17, 1945.

A true copy attest: Mildred S. Gilman, City Clerk.
